We, the undersigned persons, do hereby warrant and represent unto the cemetery organization operating the cemetery identified above that we constitute all of the owners of the plot or plots designated above. In accordance with Section 711.140 of the Texas Health and Safety Code, we do hereby designate and appoint the plot representative identified above to represent the plot or plots by making any and all decisions with respect thereto that an owner thereof is permitted to make and by taking any and all actions with respect thereto that an owner thereof is permitted to take. We specifically direct the cemetery organization to inter or disinter—or permit an interment or disinterment—in the plot at the request or direction of the plot representative. Furthermore, we agree, jointly and severally, to hold the cemetery organization harmless from any and all claims which may be made against the cemetery organization as a result of its reliance upon this notice or as a result of its compliance with any request or direction of the plot representative. This notice is effective as of the effective date specified above.
